Rules Food Vendors

DO NOT drive on the **ASPHALT** within the park: It was built for **FOOT TRAFFIC ONLY!**

- 🚫 ALL VENDORS must **CHECK IN** with VENDOR STAFF MEMBER **BEFORE** setting up their booth. The vendor staff will direct you to your space. Look for the information booth at the EAST end of the upper park.
 - 🚫 Friday check-in and set up begins at **12noon** and will end at **dusk**. Saturday check-in and set up begins at **6am** and must be complete and unloaded by **8am**.
 - 🚫 All vehicles moved out of the park by **8am Saturday. NO EXCEPTIONS!** Vendors must be set up and operational by **8:30am**. Booths are to remain open till **5pm**. Friday is optional, **12noon–dusk**.
 - 🚫 Booths must be able to withstand the wind and rain and should be covered to protect your goods. Canopy or tarp tie downs and stakes must be flagged to prevent tripping. All cords and hoses are vendors responsibility to secure to the ground. Be prepared for cold fall weather!
 - 🚫 Booths requiring electricity will be located at an assigned space. Space and access to electricity are assigned on a first come, first served basis. We do not provide electrical cords or adaptors. Suggested cord lengths are 50-100 feet, **URL** rated. Bring **food-grade** water hoses and **back flow preventors**.
 - 🚫 Participants will be **responsible** for bringing garbage cans for **clean-up around their area** for all garbage and tripping hazards for insurance reasons. Vendors are responsible for tax permit and license liabilities. Washington sales tax must be collected at your booth. Please post your health permits.
 - 🚫 You are required to fill out the electrical appliance and dimension worksheet if you wish to vend. These sheets help us place you in the best place with the correct electricity in the park.
 - 🚫 If you are leaving goods in your booth overnight, be sure it is secure. Ciderfest does not have a security force and each vendor is responsible for loss or theft of money or goods.
 - 🚫 R.V.'s will be allowed in the upper park on the **outside row only** and **fit behind** your booth space. You may dry camp overnight in the vendor parking areas at no charge.
 - 🚫 Generators will be allowed this year, but quiet operation is a must. If the noise becomes a problem, you will be asked to shut down your generator.
 - 🚫 Plan for ice and supplies for your booth, the nearest store is in Kettle Falls, 5 miles away. The Ciderfest crew wishes to thank you for your cooperation and hope to see you next year!
-

I, the undersigned, have read, understood, and agree to the enforcement of all rules of the Ciderfest Association and its sponsor, the town of Marcus. All vendors agree to indemnify and hold harmless Ciderfest Association or the town of Marcus, from all claims, losses, cost, damages, tickets, towing expenses, of any kind arising out of or from any accident or occurrence in or at the exhibitor location. I understand that neither Ciderfest Association nor the town of Marcus are responsible for any theft, damage of goods or personal property, before, during, or after the festival. Neither the town of Marcus nor Ciderfest Association is responsible for any loss in sales or inventory due to weather or any other incidents.
